Dear Jim Sumner:

Your current certificate and associated parameter/method list(s) are enclosed. These documents now represent the certificate of record for your laboratory. All previous certificate(s) and associated parameter list(s) received are now null and void and should be destroyed. Please be reminded that all environmental data submitted to the Department is reviewed to ensure that the reporting laboratory possesses the necessary certification. Data reported by laboratories without the proper certification will be addressed by the affected enforcement programs.

If you have any questions or problems are detected concerning your certificate, please contact our office within ten (10) working days at (803)896-0970 or by e-mail at labcerthelp@des.sc.gov.

Sincerely,
